

**WE ARE TAUW!
CELEBRATING
(Y)OUR STORIES**

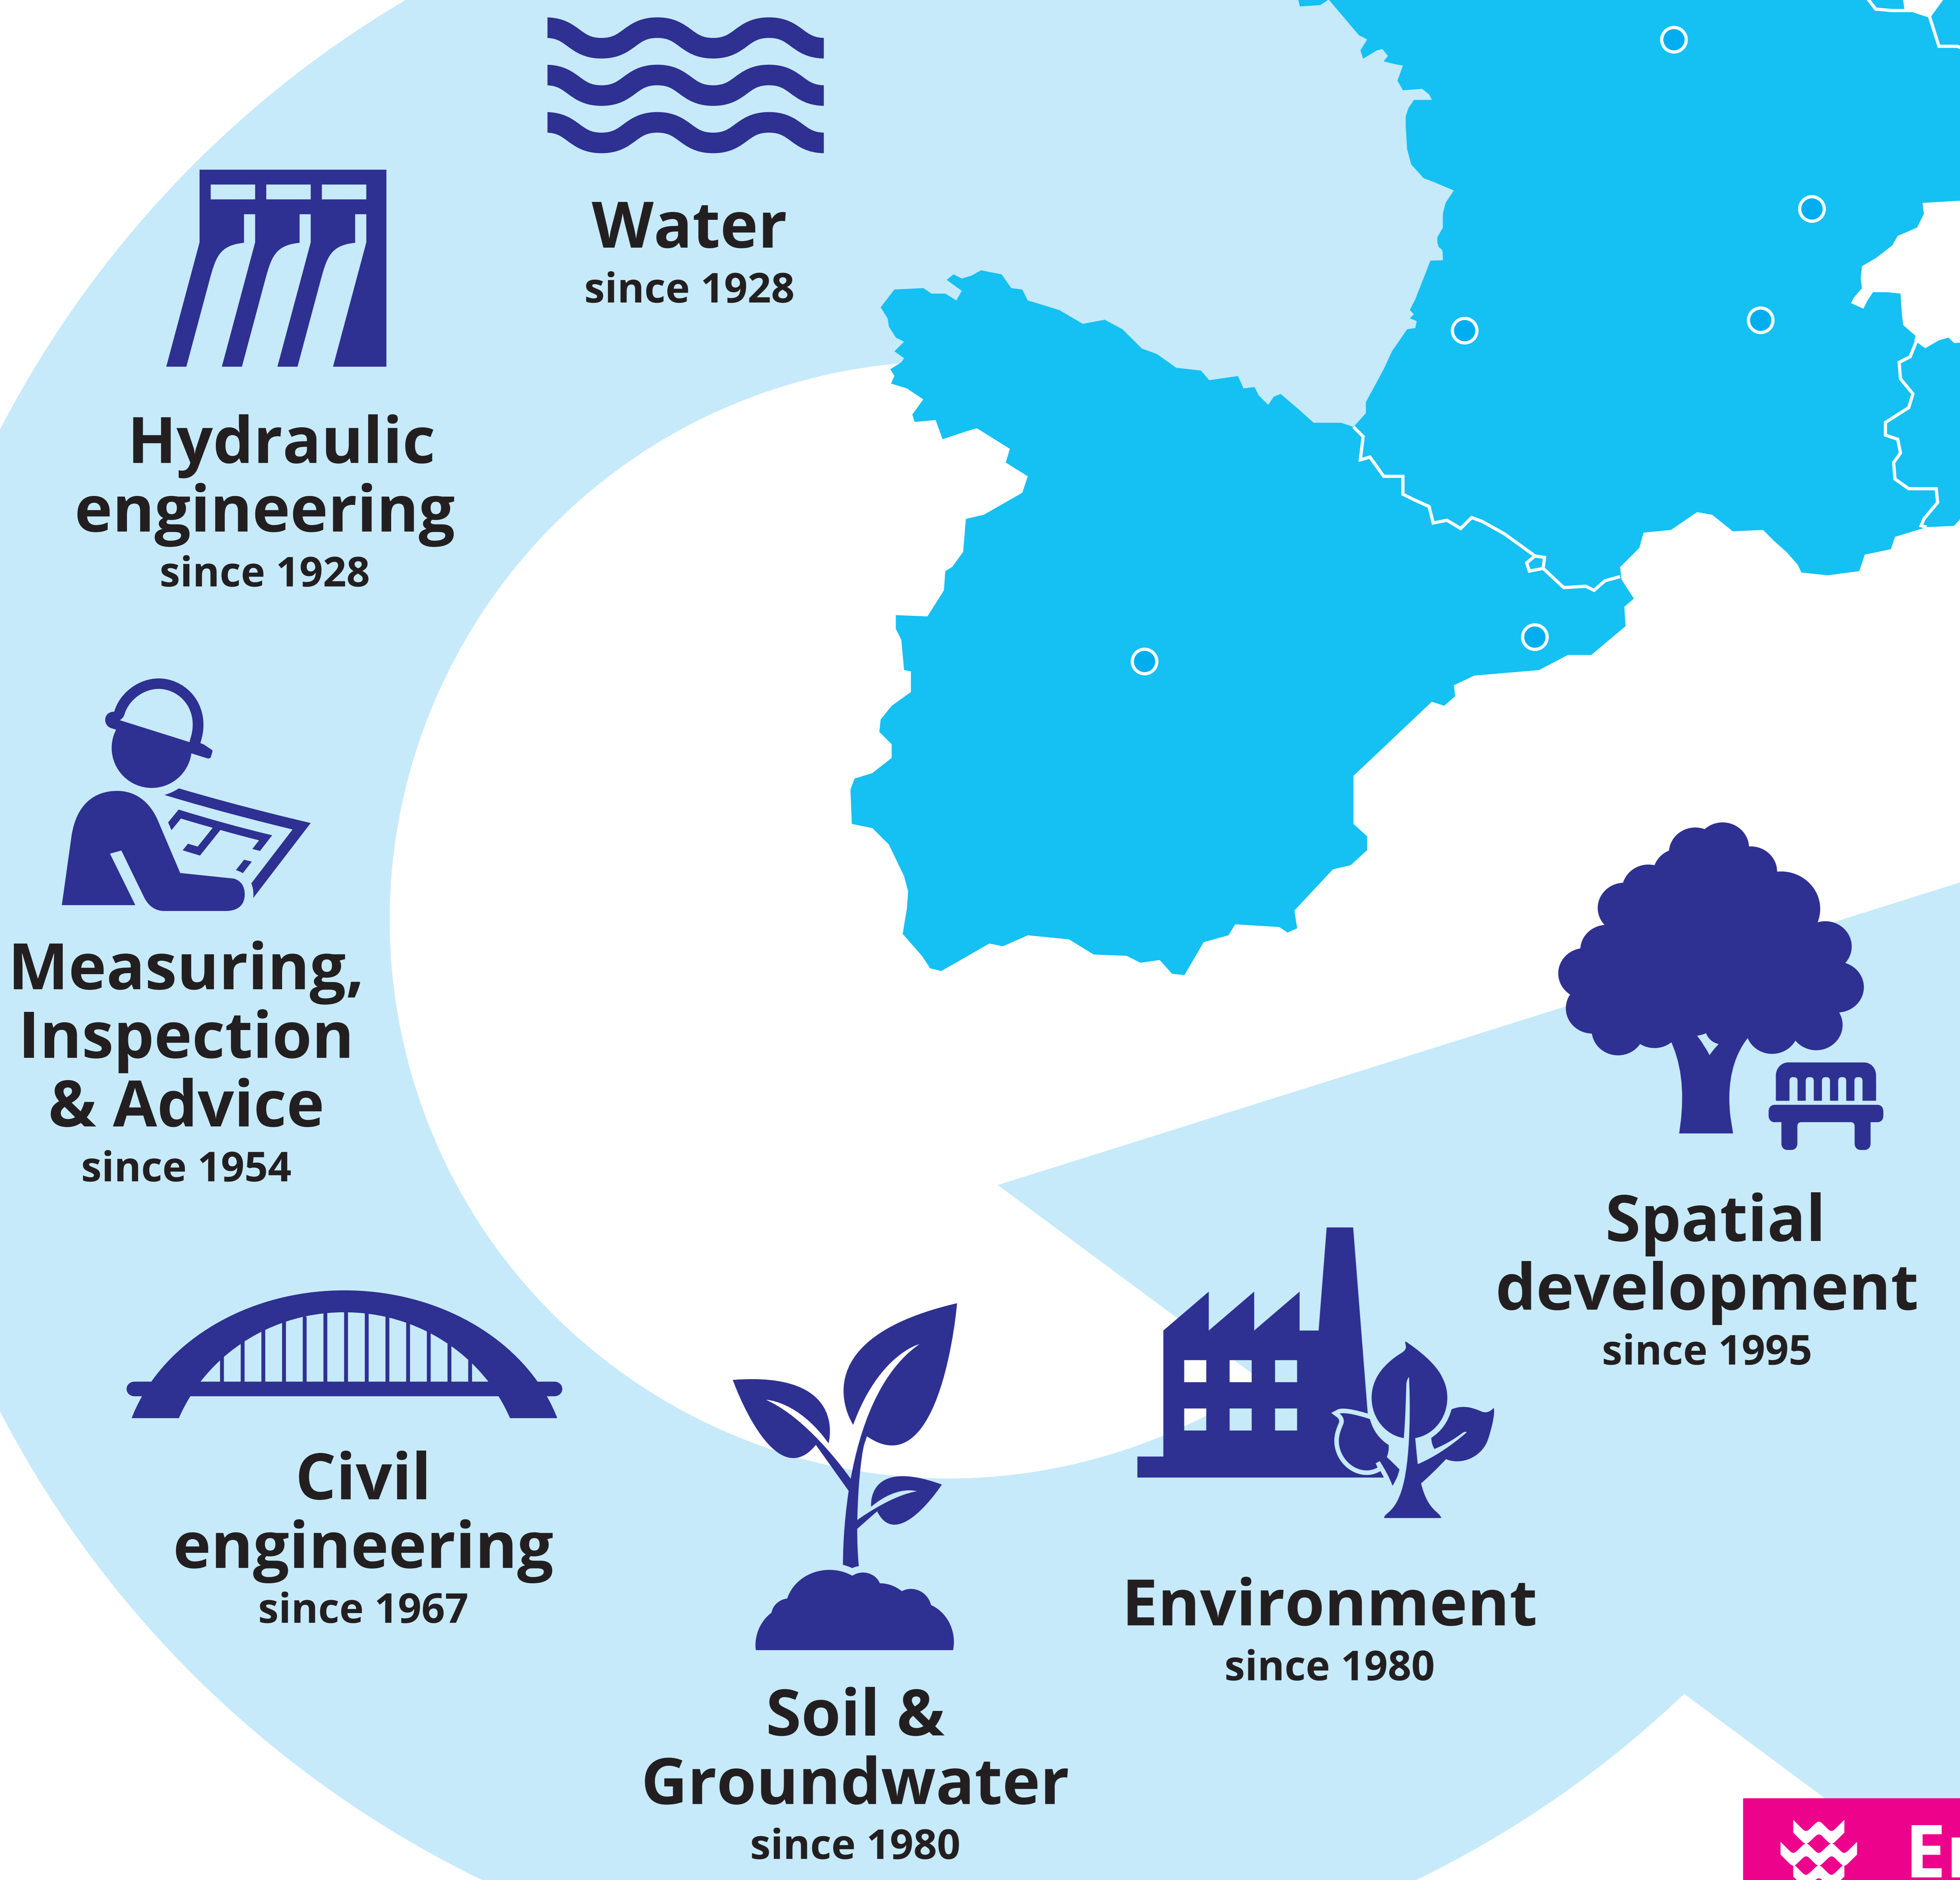

On 13 October 1928 the Technical Consultancy of the Union of Water Boards (Tauw) was established by 5 partners in the Netherlands. 90 years later we are an European environmental consultancy with 1,200 highly motivated specialists in 6 countries. Something we could never have achieved without our people; our partners and customers. **'Cause together we are Tauw!**
